*For the first time in several years, our Summer Retreat will be held for one day only. Instead of holding a Friday evening party, the consensus of your Board is that a one-day meeting is more suitable at this time. Also, it is hoped that by moving the location of the meeting to a more central location in Palm Desert, the Retreat's attendance will increase and members will be inclined to become more involved in the Branch's annual planning process.*

*You are encouraged to attend this Summer Board Meeting. This is where our plans are made for the upcoming year. You have the opportunity to voice your specific requests and thoughts about what you would like to see your Branch accomplish during 2010-2011. Make your reservation now. Your input is important.*

*Call or email Gail Hughes to make your reservation, then:*

*Send your check for \$35.00, payable to AAUW-Palm Springs, to:*
